

RANCHO PALMERAS PROPERTY OWNERS ASSOCIATION

Good Afternoon

Can you believe that it will soon be September? I hope it brings cooler weather and less humidity so that my pool will be below 96 degrees.

I hope all is well with all of you. I know this virus has made life more difficult for all of us and looks like it will continue for many more months. Ward and I have controlled our trips outside the house. We go to Walgreens drive through for our prescriptions and to the grocery store where they put our groceries in the trunk. We did go inside at Walgreens to get a flu shot. We thought the sooner the better. I did have a Covid-19 test because I was having a procedure at Eisenhower. Sure glad that it came back negative.

The Board hasn't had a meeting since March, but I think we will need to do a zoom call in September. We need to confirm a renewal contract with the tree trimmer. It appears that everyone was very pleased with his service and how he cleaned up after each trim. We also need to determine if we are going to raise the dues for 2021 as announced. I will encourage the Board to wait until 2022, but they do need to vote on it as well.

I don't think we will be able to have a dinner in January. Perhaps we will be able to do it later in the year but time will tell. Please let me know how you feel about a later date dinner.

I hope you are staying safe and healthy through these troubling times. I miss walking and seeing all my fellow walkers. Hopefully, we can meet again soon. Take care and stay safe!

Pat Fredericks

President
